

LETTER OF INTENT

The Letter of Intent is the project description.

In 1200 words (plus 1 page for figures and/or tables), please succinctly address the relevant information of the initially proposed project including:

- 1) background, unmet need and significance of the project;*
- 2) specific aims, objectives, or hypothesis;*
- 3) preliminary studies and data relevant to the proposed project;*
- 4) experimental design: description of methods and analyses to be used for proof of concept study, proposed clinical trial design (primary & secondary endpoints), or design of novel device for treating a disease or monitoring therapeutic effectiveness;*
- 5) expected results and expected timeframe of the results;*

Please, feel free to add any additional information/supportive data, as needed.
